Featured Gym Games

Pass Ball

Rules: Players are divided into two teams. Each team must try to score by passing the ball to a teammate in the end zone without the ball touching the ground. Once a player catches a passed ball they may take up to 3/5 steps (# determined by leader) with the ball. After the set number of steps, they must pass the ball to a teammate. A point is scored when a player catches a teammate's pass in the endzone.

Equipment: One ball, 6-10 cones

Crossover Dodgeball

Rules: When players are hit with a ball or have a thrown ball caught by an opposing player, they cross sides and become a member of the other team. Players must cross over at the designated point and become a member of the other team. Players cannot voluntarily cross sides in any way. Game ends when one team gets all the players on their team.

Equipment: Dodgeballs (Gatorballs), 6-10 cones
